To

Sir,

Subject - Contribution of Rs. 2,000/- towards the maintenance charges of the Town High School, Kunigal

In forwarding herewith the correspondence ending with letter No HC 144/47-48 dated 16th November 1948 from the President, Town Municipal council, Kunigal on the above subject, I state that Government have, in their order No L 3388-40/M1 65-46-173, dated 28 8 1947, accorded sanction for the payment of Rs. 100/- per month to the local Town High School from 1 6 1947 to the end of March 1948 for its maintenance The Town High School, Kunigal has been recognised by the Director of Public Instruction in Mysore, Bangalore, for a period of 3 years from 1947-48 in his memo No L 1289-49 of 47-48, dated 1 9 1947

The Kunigal Town Municipal council, have, at their meeting held on 1 6 48, resolved to donate a sum of Rs 2000/- per year for the maintenance of the Town High School, Kunigal, the amount being payable at Rs. 200/- per ~~year~~ month after obtaining sanction of Government and they have also decided to place a sum of Rs. 3000/- at the disposal of the Director of Public Instruction in Mysore, Bangalore, towards non recurring expenditure with a request that the articles purchased out of this amount may be placed at the disposal of the Town High School for its use till the opening of a Municipal High School at Kunigal

The Secretary of the Town High School, Kunigal, who was

was consulted by the president, Town Municipal Council, Kunigal re handing over the management of the High School to the Municipality stated that the Committee of the Town High School is not prepared to hand over the management of the School to the Municipal council for the present, on the ground that it is being managed by the philonthropic persons of the Taluk and Local bodies

The Director of Public Instruction in Mysore, Bangalore, who was xxxxx requested to obtain sanction of Government to start a Municipal High School at Kunigal, has replied that the question of sanctioning a Municipal High School for Kunigal Town will be considered next year

The President requests to obtain sanction of Government to the payment of Rs. 2000/- to the Town High School towards the maintenance charges out of the closing balance of the Municipal funds of the current year and that the payment of Rs. 3000 towards non-recurring charges may be deferred on account of the poor finances of the Municipality

A sum of Rs. 2400/- was provided in the budget for the year 1948-49 and the same has been deleted to obtain sanction of Government separately -

In these circumstances, I request that sanction of Government may kindly be accorded for the paymentof Rs 2000/- per year for the maintenance of the Town High School, the amount being payable at Rs. 200/- per month out of the closing balance of the Municipal funds of the current year as resolved by the Municipal council

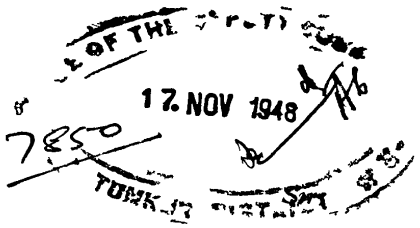
OFFICE OF THE PRESIDENT,
KUNIGAL TOWN MUNICIPAL COUNCIL,
Kunigal, Dated 16th November 1948

To,

The Deputy Commissioner,
Tumkur District,
Tumkur



Ref — Donation of Rs 2000/- towards maintenance Rs 3000/- towards non recurring charges to the Town Highschool, Kunigal

With reference to your memo no Acc 259/47 48 dated 6th October 1948 calling for a report on the above subject, I beg to submit herewith the connected papers thereon for favour of your kind perusal and to state as follows —

The Secretary Town Highschool Committee, Kunigal, who has addressed in the matter of handing over the management of the school, to the Municipal Council, has since stated that the Committee of the said school are not willing to transfer the management to the Municipality for the time being. Copy of the letter and resolution of the Committee are enclosed herewith for favour of your kind perusal

In this connection I beg to state that there are at present 300 pupils in the school, consisting of all the 3 classes (viz I, II & III year) It is at present being run on subscriptions & donations from the Philanthropic gentlemen and local bodies the Municipal Council, Kunigal, donated Rs 100/- p.m for 10 months during 1947-48

It is represented that the management is finding hard to run the school due to poor finances and lack of support both from the people and the local bodies & the help received from them was quite inadequate to meet the demand during the previous years and the current year

It is further stated that the strength

of the school and the establishment has considerably increased over what prevailed in years resulting in very heavy liability to the school by way of purchase of laboratory equipment and other running expenditure

I have examined the aspect of the case and I am satisfied that the request of the Secretary deserves sympathetic consideration It is true that the strength of the school is about 300 during the current year and there has been a further addition to the existing staff also necessitating heavy expenditure for the running of the institution

The resolutions under fees etc hardly suffices to meet the establishment and other charges throughout the year, hence the present proposal of the Council to pay Rs 2000/- towards the maintenance charges of the school during the current year (at Rs 200/- p m for 10 months) deserves sympathetic consideration

In this connection I beg to point out that proposals for opening a Municipal High School in addition to the existing Town High School have been submitted with this office report No He 1257 dated 17th Aug 1948 Since the Management of the Town High School Committee are not willing to hand-over the present School to the Municipal Council, Kurnool Therefore the Council felt quite necessary to reduce the existing congestion and lack of accommodation & laboratory and playground required for the Town High School by recommending for a Municipal High School which is quite necessary for a place like Kurnool.

It is the desire of the Council to keep the present Town High School till the commencement of the Municipal High School which may take some time not earlier than June 1949 In the meanwhile it will be of utmost help to the Town High School if the sum of Rs 2000/- is donated as resolved by the

Council to augment the poor finances during the 5
Current year the question of payment of Rs 3000/-
out of Municipal funds towards non-recurring
expenditure may perhaps be deferred on account
of poor finances of the Municipality

I request that Govt may kindly be
accorded sanction to pay Rs 2000/-
to the town High School, Kunigal as donation at
Rs 200/- p m for ten months towards the maintenance
charges from out of the closing balance of the Current year

Subject — Donation of Rs. 2000/- towards the maintenance & Rs. 3000/- towards the non recurring charges of the Town High School, Kurunegal

I beg to state that the Council at the meeting held on 1/6/48 have resolved at the instance of the Secretary, the Town High School Committee, Kurunegal, to donate Rs. 2000/- towards maintenance & Rs. 3000/- towards non recurring charges of the school during 1948-1949 out of the Municipal funds and to state as follows —

There is a High School in the town under the name and style, "The Town High School Committee, Kurunegal" functioning since 1946-47 and necessary recognition for the Education Department has been reported to have been obtained and a copy of the same is enclosed herewith for your reference. It is stated that there are 2 classes consisting of 150 students which will be 300 during 1948-49 consequent on the opening of the III Year class

During the current year,

a Sum of Rs 100/- P M as donation has been Paid from June 1947 to end of March 1948, a Copy of the Govt order sanctioning the donation in this behalf is enclosed herewith for favour of kind perusal

The Secretary further represents that there will be heavy expenditure both under recurring & non recurring items during 1948-49 as there will be an increase of expenditure under establishment and purchase of articles for the laboratory & furniture which will be quite essential for the running of the institution

The Council discussed the matter in detail and resolved to grant a sum of Rs 200/- P M from July 1948 to the end of March 1949 (10 months) towards the maintenance of the School during the year 1948-49

As regards the grant of Rs 3000/- towards non-recurring expenditure of the Town Highschool as requested by the Secretary of the Local Committee, it has been decided by the Municipal Council to place the amount at the disposal of the Director of Public Instruction in the first instance for proceeding the opening of the Municipal Highschool at Kunigal. Pending the question the Director of Public Instruction may be requested to purchase Laboratory equipment and other articles out of the funds and to dispatch them to Town Highschool Committee till such time the Municipal Highschool is opened at Kunigal It is also decided that the amount may be paid out of the closing balance of the Municipal funds A separate proposal will be submitted after consulting the Director of Public Instruction to accord sanction of Government with regards to this

Therefore, it is requested that the sanction of Government may kindly be obtained for the

Payment of Rs. 2000/- per year towards the maintenance of Sonn Higher School for the year 1948-49 and of the Budget of 1948-49 of Kuenzal Thuendrakg
